

# ISOE INTERNATIONAL SYMPOSIUM on OCCUPATIONAL EXPOSURE MANAGEMENT AT NUCLEAR FACILITIES

TOURS, FRANCE, 21-23 June 2022

## CALL FOR POSTERS

### GENERAL INFORMATION

The European Technical Centre of the Information System on Occupational Exposure (ISOE), in collaboration with EDF, the French Utility and ASN, the French Safety Authority, is organising the **2022 ISOE International Symposium** on Occupational Exposure Management at Nuclear Facilities.

The Symposium will be held in **Tours, France**, from **21<sup>st</sup> to 23<sup>rd</sup> June 2022**. The OECD Nuclear Energy Agency (NEA) and the International Atomic Energy Agency (IAEA) co-sponsor this Symposium.

### SYMPOSIUM GOALS

The main aims of the Symposium are:

- to provide a large forum of information exchange on occupational exposure concerns in nuclear power plants (practices, management and procedures, dose results and reduction, improvements of techniques and tools, etc.),
- to allow vendors to present their recent experience and developments in radiation protection (measurement techniques, operating and plant design improvements, ALARA practices during operation and outages, etc.) in a commercial exhibition.

The Symposium will give an opportunity for the participants to take part in discussions in plenary sessions, and presentations of posters.

### TARGET AUDIENCE

The Symposium is targeted at all those concerned with radiation protection at nuclear facilities, from utilities, contractors, regulatory bodies as well as international organisations.

**A special place will be given to young RP professionals** to attend the ISOE International Symposium as participants (< 35 years old) with the attribution of a Young RP Professionals award (see next page).

### CALL FOR POSTERS

Participants are invited to **propose poster presentations** covering all aspects of practical implementation of radiation protection for Occupational Exposure Management at Nuclear Facilities. Topics of particular interest are the following:

- RP at the Design Stage of Plant Modifications and New Built
- RP Management and Organisation
- RP Education and Training
- Source-Term Management
- Contamination Management
- Internal/External Dose Management
- Dosimetry and Measurement Materials
- Feedback Experiences on Large Tasks
- Refurbishment and Plant Life Extension activities
- Post-Accident Lessons Learned
- RP at the Decommissioning Stage
- RP and Waste Management

## ABSTRACTS

**Authors wishing to provide poster presentations are invited to submit an abstract or a paper** written in English typed single-spaced in Times New Roman 11 pt (Word format). Please indicate the title of the contribution, name(s) of author(s) and institutional address(es), phone/fax numbers and Email address.

All abstracts should be sent to the contact-person by the **30<sup>th</sup> of May 2022** by Email.

## **NEW!** ISOE YOUNG RP PROFESSIONALS AWARD

An "ISOE Young RP Professionals Award" (diploma and a free registration to the next ISOE International Symposium) will be attributed to promote young people whose works have been noted for their quality and originality.

Young RP Professionals wishing to compete to this award are invited to specify it on their abstract: "compete to the ISOE Young RP Professionals Award".

## LANGUAGE

The working language of the Symposium will be English.

## MORE INFORMATION

Updated information will be made available on the ISOE Network website ([www.isoe-network.net](http://www.isoe-network.net)).
